**AUDIT COMMITTEE REPORT TO THE BOARD OF TRUSTEES
FOR 2025**

November 8, 2025

To: The Board of Trustees

From: John Reilly, Leader of the Audit Committee

Summary: In accordance with the attached **AUDIT COMMITTEE PROCESS**, on November 8, 2025, the LBT10 Audit Committee conducted its 2025 annual review of: (1) the processes by which financial transactions are concluded, documented, and recorded in the financial statements; and (2) the conduct of key operational activities.

Based upon our review, the Audit Committee has determined that the financial processes and conduct of key operational activities are being performed in a manner that is in accordance with the By-Laws, and is adequate to preserve the assets of, and to avoid unintended liabilities and risks to, LBT10. Further, the financial statements prepared by LBT10 fairly present the financial position and changes in net assets for the reporting periods.

It should be mentioned that our determination is based on the following understanding. It is recognized that due to practical considerations and limitations, formal and comprehensive internal control and internal check processes cannot be implemented. Therefore, it is critical that the following adopted practices continue to be maintained:

- (i) Frequent reconciliation of the Cash Receipts from Member Dues reported in the financial records with that information contained in the Membership Listing as maintained by the Vice President-Membership.
- (ii) Approval (before payment) or ratification (after payment) by the Board of Trustees of expenditures.
- (iii) Tracking of the Actual v. Budget Cash Receipts and Disbursements as reported to the Board of Trustees.
- (iv) Monthly reconciliation of the Cash balance in the bank account with the balance on the financial statements.

Committee Members: John Reilly, Leader and Trustee; Alice Howarth, Member; Rich Malesich, Member; and Steve Salvati, Treasurer.

Conduct of the Review: In the review, Steve presented the various document volumes and key Excel spreadsheets (on screen) that have been developed since the inception of LBT10's operations. Then, following the attached **AUDIT COMMITTEE PROCESS - Audit Program**, he walked the Committee through the contents of these items and explained why they were developed and how they are used. Particular emphasis was placed on describing the Cash Receipts and Disbursements transactions forms and related processes; the frequent book v. bank account reconciliation; the approval or ratification by the Board of Trustees of the expenditures on a monthly basis; the preparation of the financial statements; the tracking of actual v. budget Cash Receipts and Disbursements; the frequent reconciliation of the Member Dues as reported in the financial records with the Membership Listing as maintained by the Vice President – Membership; the income tax and sales tax exemptions; the government reporting compliance; and the record retention and retrieval. There was considerable and worthwhile discussion among the Committee Members in this review.

Respectfully submitted on behalf of the Audit Committee:

John Reilly, Leader

Rich Malesich

AUDIT COMMITTEE PROCESS

Note on NJ Law requirements for audits of financial statements of not-for-profit organizations registered with the Charities Registration office of the Attorney General (as is LBT10): An audit and certification of the financial statements of the organization by an independent Certified Public Accountant is required if the annual gross revenue of the organization exceeds \$1,000,000. If the annual gross revenue of an organization is less than \$1,000,000, but more than \$25,000, an audit and certification of the financial statements of the organization may be conducted by the president or a designated officer of the organization.
